Chapter 1 by Nate

In the year 1989, cases of serial kidnappings at Pearl Lake Public Park become noticeably larger in number, resulting in the demoliton of the children's playground. The body of the culprit was found, hanging from a nearby tree in what appeared to be a suicide. However, the bodies of the abducted children were never found, and thus they were all listed as 'Missing; Assumed Deceased'.

26 years later, a horror story involving the playground, dubbed 'Killground', spreads across the Internet, striking the interest of six teens. When the seemingly unrelated kids wake up in Pearl Lake's infamous park with corpses surrounding them to spare, they begin to realize that the horror story they've come to love and fear isn't a story after all.
